

Additional Corporate Sponsorship Opportunities Through the NDA Foundation

The NDA Foundation was formed in 1976 as a 501(c)3 non-profit entity organized to pursue and provide funds for charitable, scientific, research and educational purposes. The NDAF objectives are to:

- Increase the number of underrepresented minorities in the oral health profession;
- Evaluate the status of dental health in economically depressed minority communities;
- Develop and implement programs to eliminate existing dental health disparities and;
- Sponsor research into new methods for delivery of high quality dental services to the community.

NDAF Opportunities for Sponsorship:

- Scholarship and Matching Scholarship Funds
- Community Outreach Partnerships
- Research Funding
- Special Projects and Initiatives
