

**NATIONAL
DENTAL
ASSOCIATION**

ANNUAL CONVENTION
"Our Place at the Table"

**Advancing and Advocating for
the Future of Oral Health**

DALLAS, TX

July 19-23, 2017 • Sheraton Dallas Hotel

THANK YOU

The NDA, SNDA, NDHA, NDAA, ANDA, USNDA and NDAF would like to extend our sincere and heartfelt gratitude to our Corporate Roundtable members, Sponsors, Supporters, Exhibitors and Speakers during the 104th Annual Convention.

Your generous contributions strengthen our programs to enhance our members' education, knowledge, and techniques. Together through partnerships, we increase oral health awareness to all communities.

THANK YOU and ENJOY the Convention and the city of Dallas.

Legacy Fund

A Very Special THANK YOU to those who have given and those who continue to give to the NDA Legacy Fund. Your generous support allows the NDA to move into its second century continuing its historic mission while preparing for the future and our place at the table. Please consider a tax deductible gift today so that we may continue to educate and advocate for our members, new dentists, and students, champion social justice, and improve access to oral health care for ALL, especially those in the communities we serve.

Payment plans are available for your convenience.

It's not too late to give!!

A photograph of a man and a woman embracing in a field. The man is on the left, wearing a grey sweater, and the woman is on the right, wearing a yellow top and a grey sweater. They are both looking down and smiling. The background is a green field with trees in the distance.

Together

Aetna is proud to support the National Dental Association's President's Symposium.

We are honored to help bring new ideas to the table by partnering with the NDA and oral health professionals on strategies to combat the country's opioid addiction epidemic.

THE OPENING *Session*

Thursday, July 20, 2017 5:30pm – 7:30pm
Supported by W.K. Kellogg Foundation

Edna Kane-Williams
Senior Vice President
AARP

Ms. Edna Kane-Williams serves as Senior Vice President of Multicultural Leadership at American Association of Retired Persons. Ms. Kane-Williams focus on building meaningful and sustainable programs. Additionally, She has served in senior executive positions at organizations including the Epilepsy Foundation, Ogilvy Public Relations Worldwide and East Baltimore Development. Most recently, she served as senior vice president of communications and social marketing at IQ Solutions, Inc. She serves as Director of Abilities Network, Inc. She serves on the board of AARP Legal Counsel for the Elderly, Abilities Network and Family and Child Services of DC. She serves as Director of Integration at AARP Foundation. She has a bachelor's degree in urban studies and political science from Yale University and a master's in gerontology from the George Washington University.

Mary Otto,
Author of "Teeth"

Call to Action

Mary Otto is a Washington, D.C.-based journalist who began writing about oral health at The Washington Post, where she covered social issues, including health care and poverty. In 2007, she wrote about 12-year-old Deamonte Driver, a Maryland child covered by Medicaid who died after bacteria from a dental infection spread to his brain. The death of the boy spurred congressional hearings, a revamping of Maryland's Medicaid dental system and increased attention to oral health access for Medicaid children nationwide. After leaving the Post in 2008, Otto spent an academic year studying oral health at Harvard as a Knight Science Journalism Fellow. She now works as an independent journalist and oral health topic leader for the Association of Health Care Journalists. She is the author of the book "Teeth: the Story of Beauty, Inequality and the Struggle for Oral Health In America" published in 2017 by The New Press.

DR. ALISON P. RIDDLE-FLETCHER

Women Dentists' Awards Luncheon

Saturday, July 22, 2017 11:30am - 1:30pm

Sponsored by Colgate-Palmolive and Henry Schein, Inc.

Keynote Speaker:
 Cheryl Polote Williamson

A trailblazer and multiple award winning author and entrepreneur, Cheryl Polote Williamson is simply a servant. She uses every platform she is given to help others. Cheryl is a nationally sought after transformational speaker, author, and certified life coach. She provides services that help teach entrepreneurs how to build business and personal relationships with an emphasis on honesty, integrity, and trust. Her commitment to seeing others succeed is her greatest accomplishment. Cheryl has been nationally recognized for her client relationships, entrepreneurial skills, and strategic partnerships; and, she has been selected as one of Dallas Top 25 women and received the honor as one of the Female Success Factor award recipients for 2016. Her works include *Soul Reborn: A Book of Words, Motivations, and Inspirations*, *Words from the Spirit for the Spirit*, *Safe House* and *Affirmed: a daily affirmations and take action guide*. Cheryl is the visionary author of 4 anthologies, that will all debut in 2017, *Soul Talk*, *Soul Bearer*, *Soul Source*, and *The Success Factor*.

CIVIL RIGHTS *Luncheon*

Thursday, July 20, 2017 12:00pm - 2:00pm

Keynote Speaker:

Harry E. Johnson, Sr.

President and CEO

The Memorial Foundation, Inc.

Harry E. Johnson, Sr. heads The Memorial Foundation; this foundation will continue to promote awareness of the Martin Luther King, Jr. Memorial and its tenets of Democracy, Justice, Hope and Love as well as to support the general upkeep of the Memorial in future years. Johnson led the Washington, D.C. Martin Luther King Memorial Foundation as President and CEO from 2002 until 2013. The President of the United States and the U.S. Congress charged the MLK Foundation with erecting a memorial on the National Mall in Washington, D.C. to honor the life and legacy of Dr. Martin Luther King, Jr. Under Johnson's leadership, the MLK Memorial Foundation raised \$127 million to complete the memorial. Johnson positioned three boards (Executive Leadership Cabinet, Governing Board and Honorary Board) for the foundation; garnered support from all living U.S. Presidents, Congress, members of the corporate and nonprofit communities, and celebrities. The memorial dedication was held on October 16, 2011, with the President, Vice President, members of the cabinet, congressional members and others in attendance.

Johnson is a career lawyer, entrepreneur and public servant. From 2001 to 2004, he served as National President of Alpha Phi Alpha Fraternity, Incorporated, the fraternity to which Dr. King belonged. While serving in this role, Johnson oversaw over 700 chapters located throughout the United States and abroad enhanced the national image of the organization with fraternity members, business leaders and political officials.

Johnson is also the President of Creative Concourse Concessions, LLC an airport concessionaire business that partners with various entities to provide such services as Retail, Food & Beverage and Duty Free offerings.

Johnson has served as City Attorney for Kendelton, Texas, taught at Texas Southern University in the Thurgood Marshall School of Law and School of Public Affairs. Johnson has dedicated his time to community groups and issues, such as voter registration, blood donations, HIV/AIDS, Boy Scouts of America and Big Brothers. He serves on the AARP Foundation Board, The National Urban League Board and The March of Dimes Board.

Johnson received his Doctor of Jurisprudence from Texas Southern University where he was a member of the Thurgood Marshall Student Bar Association. He completed Post Baccalaureate work in Public Administration at St. Louis University and received his Bachelor of Arts from Xavier University of Louisiana. Johnson has received a number of recognitions for his public service and was named in *Ebony* Magazine's "100 Most Influential Black Americans" 2001 through 2004.

Johnson is married to Karen Gorrell Johnson. They are the proud parents of Jennifer, Harry, Jr. and Nicholas.

The W.K. Kellogg Foundation proudly supports communities mobilizing for positive health outcomes for children since 1930. We wish the National Dental Association the best for a successful annual conference, and proudly support its work to expand quality oral health care for children and their families.

MICHAEL S. RAWLINGS
Mayor of Dallas

July 2017

Greetings!

On behalf of the City of Dallas, welcome and thank you for selecting our city and the Sheraton Dallas for your 104th National Dental Association Annual Convention.

You'll hear us say that Big Things Happen Here, and it is evident in the continued public-private investment that is providing new parks, museums, cultural venues and hotels throughout the city each year. Klyde Warren Park, the Perot Museum of Nature and Science and the largest urban Arts District nationwide are near your hotel. In addition, our rail, trolley, streetcar and shuttle transportation options will quickly take you to Fair Park, Bishop Arts, Trinity Groves, the George W. Bush Presidential Center at Southern Methodist University, Dallas' GeO-Deck and numerous shopping and dining venues throughout the city.

I wish you the best for a memorable event. We look forward to hosting you again on many other occasions.

Best regards,

A handwritten signature in black ink, appearing to read "Michael S. Rawlings". The signature is fluid and cursive, written over a light gray circular background.

Michael S. Rawlings
Mayor of Dallas

OFFICE OF THE MAYOR CITY HALL 1500 MARILLA ST., 5EN DALLAS, TEXAS 75201

Kim Perry, DDS, MSCS

As the 93rd Presidential of the National Dental Association, I would like to warmly welcome each of you to Dallas, Texas. The Dallas Fort Worth (DFW) area was a place our family enjoyed for over 12 years. The city of Dallas has excellent family fun; shopping and the restaurants are fantastic. Our goal is that you will not only enjoy your stay in Dallas, but also engage during the convention, glean knowledge while attending the Scientific CE Sessions, and visit our vendors in our new and enhanced Product and Resource Center. The knowledge garnered will have the potential to assist you in taking your practice of dentistry to the next level.

Our theme this year is, "Our Place at the Table Advancing and Advocating for the Future of Oral Health through Collaborations and Partnerships"; and we have done just that. We have remained extremely focused on critical issues that impact our mission, our members, our NDA family organizations, and the communities that we serve. The community is one of the primary focuses of our mission.

NDA-HEALTH NOW®, our community outreach initiative, will allow the NDA to engage communities and along with our community and corporate partners, provide screenings and preventive care, connect children to care, while enhancing community knowledge around oral health. We will kick off the continuing education portion of the convention with our Eddie G. Smith Leadership training which provides our local, state and national NDA leaders with the tools considered necessary to be impactful leaders. The Opening Session this year will tug on our hearts as we hear from national leaders about being active adults and 10 years later after Deamonte Driver, you will hear about our progress. As expected, the Affordable Care Act (ACA) has been on the top of my list. The Scientific Sessions and the NDA Research component will address the ACA and its impact. Focusing on how our students (SNDA/USNDA) and new dentists can be the change agents that we need in our communities has been first and foremost on my 2017 NDA agenda. There will be dental school recruitment opportunities and knowledge that continues to build clinical skills and a new practice. There will be discussions around ways to incorporate the new dentist into the NDA on a local, state and national level. Relevance is key and the President's Symposium will be just that, relevant, as it focuses on the national "Opioid and Substance Abuse Crisis" and how it has impacted families, communities and the practice of dentistry. The Women's Health Symposium (WHS) will not disappoint as we will discuss Heart Health, oral health and the systemic link with a leading cardiologist in the field. We are sure to greatly enjoy our Women Dentists Awards luncheon with the Literary Trail Blazer of the Year, Ms. Cheryl Polote Williamson, as she discusses topics such as being Affirmed, Soul Talk and Success Factor while we take "Our Place at the Table". Lastly, we have focused on membership business benefits that have positively impacted the bottom line of our NDA colleague's private practices. I look forward to the testimonials that will be shared and the opportunities that it will provide to your practice. After all of this, we will still have the opportunity to dance at the President's Gala, enjoy the Civil Right's Luncheon while hearing more about the MLK Monument, while also spending time with our NDA family, friends and colleagues.

I would like to thank our Corporate Sponsors and other supporters for their generous support for this convention and throughout the year. With the various levels of support that we have received, we have been able to focus on our mission and identify ways by which we can collaborate to enhance outcomes and for this we again say thank you.

Thank you to our National office, local and national committees who have done an excellent job of preparing the NDA for our annual convention. Under the leadership of Drs. Tina Kidd, George Daniels, Marie Holliday, Madeline Anderson-Thomas, Sheila Brown and Kiamesha McClellan, I expect nothing but the best. So engage, sit back, and have fun as we take "Our Place at the Table Advancing and Advocating for the Future of Oral Health".

Thanks for all that you do and safe travels back home,

A handwritten signature in black ink, appearing to read "Kim Perry".

Dr. Kim Butler Perry

93rd President of the National Dental Association

Welcome from the Deputy Executive Director

LaVette C. Henderson

Greetings NDA Members, Family Organizations, Friends and Supporters!

We are in the BIG D, where BIG things happen! The Local Convention Committee, representing the Gulf State Dental Association, New Dentist Committee, Scientific Committee and the National Office, is excited to welcome you to Dallas, Texas! Membership asked for a shorter, leaner schedule, and we have delivered. While the schedule is tight, we hope the sessions reflecting today's trending topics, room layouts that enhance learning and communication, and the dashes of Texas flavor throughout help make your convention experience thoroughly enjoyable. We ask that you fully engage in sessions and social events to help bridge the gap between oral health stages and professions. We are an oral health team, and we have been making successful strides in bridging the gap from SNDA to NDA, from students to new dentists to experienced dentists. This is an exciting position for the health of our communities, the development of equitable health policies, and the growth of the organization.

Our 104th annual convention kicked-off with our signature program – NDA-HEALTH NOW® at the Baylor Scott and White Health and Wellness Center at Juanita J. Craft Recreation Center right here in Dallas, Texas. NDA-HEALTH NOW® program has currently served in 18 cities, screened 11,844 and educated 18,662 individuals. Visit our website www.ndaonline.org/healthnow/ to see how we can come to your city and expand areas of care to increase oral health awareness for all age groups.

The Minority Faculty, Administrator's & Practitioners Symposium featuring a morning Faculty Forum and afternoon Research Forum is designed for all health professionals. The morning Faculty Forum will cover the many aspects of health care collaborations between faculty, students, researchers and practitioners. The Research Forum, moderated by Dr. Caswell Evans, will cover how the Affordable Care Act (ACA) has and will impact oral health professionals. The President's Symposium Panel, moderated by Dr. Janet Southerland, will address the current opioid addiction epidemic. Some of our featured Clinical Presenters are Drs. Edward Williams, William Paveletz, Tanya Gibson, Anthony Neely, Steven Zambrano, Westley Clark, and Past President Leslie Grant. Our Practice Management Presenters include Dr. Monica Anderson, Dr. Meri Maguire, Dr. Anissa Holmes, Ms. Debra Engelhardt-Nash and the Maddow Brothers.

Our stellar cadre of keynote speakers will appeal to all generations. We'll start with our Opening Session speaker Ms. Edna Kane-Williams, AARP Senior Vice President of Multicultural Markets and Engagement – who knew AARP has programs for young adults, and end with the Call to Action by Dr. Mary Otto, author of *"Teeth"*. You will have the opportunity to get your copy of *Teeth* autographed during the Get Acquainted Reception while enjoying the tunes of one of the most popular DJ's in all of Dallas. The Dr. Alison P. Riddle-Fletcher Women Dentist Awards Luncheon will feature multiple award winning author, speaker and life coach, Ms. Cheryl Polote Williamson, and honor women who have been the personification of strength, courage, leadership and community service. Mr. Harry E. Johnson, Sr., the President of Friends of the MLK Monument located in Washington D.C. will keynote the convention closing event, the Civil Rights Luncheon. You won't want to miss a moment of any of these great events!

Remember to support our vendors and partners by taking advantage of the "convention only" deals and discounts during the Product & Resource Center (PRC) (aka Exhibit Hall) Friday and Saturday. Catch up on emails and keep up with the office by utilizing the PRC cyber lounge areas during breaks in the PRC. You can earn up to 3 C.E. credits by participating in the Exhibitor Speed dating from 11am – 5:00pm each day. Instructions and game sheets are in your convention bags. The PRC is also where you can win prizes and bid on silent auction items. The PRC will be the place to be!

I would like to acknowledge and thank our CRT Partners for their continuing support and dedication to the organization. I say thank you to our members, family organizations, convention supporters, exhibitors, local societies and convention committees for their commitment and support to the organization. Together we increase oral health awareness and enhance overall health!

Last but not least, I want to recognize my awesome team, Full time line-up - Cyndie and Shelaine; Part-time line-up - Kitty (who retired on June 23, 2017); In-house dental professional team - Drs. Cheek and Harper Johns, Summer Interns - Janie, LaShawne and Brian; Onsite support – Erin, Gerald and Dr. Turner. We work tirelessly to ensure a touchdown or home run experience during the convention. The team believes in the legacy of the NDA and hope you take every opportunity during the convention to build life-long professional, personal and business relationships while enhancing your knowledge. We will continue the journey to secure and maintain "Our Place at the Table as we Advance and Advocate for the Future of Oral Health" as quoted by our passionate and gracious 93rd NDA President, Dr. Kim B. Perry. Thank You!!!!

All are encouraged to relax, enjoy, and engage during the best convention Big D has ever hosted. BIG things are happening in Dallas – for the NDA!!!

Sincerely,

A handwritten signature in black ink that reads "LaVette Henderson".

On behalf of the National Dental Association Foundation (NDAF) Board of Directors, I welcome you to the 104th Annual National Dental Association Convention. I am especially honored to bring these greetings in this first year of leading your NDA Foundation.

The NDA Foundation is celebrating more than 25 years of partnering with Colgate. This partnership has led to more than 4.15 million dollars of scholarships being awarded to over 3100 plus students and student dentists. In addition, the NDAF is currently engaged in funding multiple research projects at both Howard University and Meharry Medical College. These projects are geared to help change the prevalence of caries and other dental related diseases in the African-American community. In addition to scholarship and research, the NDAF is also committed to increasing the pipeline of African-American dentists by supporting the IDID program. We also have an unwavering support for community service and educational programs for children.

The NDAF is eternally grateful for the leadership and efforts of Dr. Marsha Butler, VP of Global Relations Colgate-Palmolive. This everlasting partnership has forever changed the lives of so many, including improving the overall health of the communities the NDA members serve.

We congratulate Dr. Kim Perry for her outstanding leadership of the NDA. As we move forward the NDA Foundation will continue to be the bedrock for which the National Dental Association can rely upon for supporting its mission and the communities it serves.

Warmest Regards,

Dr. Bertram J. Hughes

Bertram J. Hughes, DMD
NDAF President

Welcome from the Convention Committee

Jocelyn D. Kidd, DDS

WELCOME TO **DALLAS**
WHERE
BIG THINGS
HAPPEN!!

George Daniels, III, DDS

On behalf of the local convention committee and the members of Gulf State Dental Association of Texas it is our pleasure to welcome you to our home, DALLAS.

The continuing education will help you take your practice to the next level and provide valuable information. We will continue the tradition of honoring our past, acknowledging the present, and looking to the future at the Civil Rights Luncheon.

While you are connecting with colleagues and classmates, we hope that you make time to visit our many sites such as: The African American Museum; The Arts District; Klyde Warren Park; and The Sixth Floor Museum just to name a few. AT&T Stadium home of the Dallas Cowboys is an architectural masterpiece and is a must see. If a real cowboy sitting is what you want, the Fort Worth Stockyards is the place to be, you might even catch a cattle drive! The GeO-Deck at Reunion Tower will give you a sky-high panoramic view of the city. If you are a lover of nature The Dallas Arboretum and The Fort Worth Botanic Gardens will offer many beautiful sights to fill your senses. Steaks, Barbecue, Tex-Mex, Seafood, Southern fine dining, you name it we have it, hope your appetite made the trip. Neiman Marcus need we say more? We hope you packed an extra bag because once you hit the malls you won't be able to resist. For the golfer, the DFW area is home to more than 100 public golf courses.

We are here to assist and answer any questions you may have, or offer suggestions. Enjoy your stay and when posting pictures on social media be sure to use the hashtags: **#DALLASBIG** and **#NDADALLAS**.

Sincerely,

Jocelyn D. Kidd, DDS and George Daniels, III, DDS

MAXIMUM PRECISION IN UP TO 30% LESS CHAIR TIME

Visit Us
At Booth
#202

OPTIMAL
WORKING
TIME

SHORT
SETTING
TIME

- Up to 2-minutes of adjustable working time gives control over the pace of the procedure, while the abbreviated 2-minute thermo-activated set time, saves time and improves patient comfort
- The rapid snap set reduces the time in the critical zone by up to 50% minimizing potential distortion due to human error resulting in less re-takes
- Heavy Soft Fast material offers an optimal viscosity to load the tray but remains soft enough after it sets for easy removal from the mouth
- Due to its low polyether-like contact angle of less than 10° V-Posil's superior hydrophilicity displaces fluids (saliva, blood etc.) creating an enhanced contact to the dental anatomy – yielding more precise impressions
- Exceptional tear strength and elastic recovery ensures dimensional accuracy of the impression during and after removal

VOCO
THE DENTALISTS

OUR HISTORY & MISSION

The National Dental Association (NDA) had its earliest beginnings in 1900, when 12 practitioners felt they needed a professional organization. In November of that year, the small group met and formed the Washington Society of Colored Dentists in the District of Columbia. The name was changed in 1907 to the Robert T. Freeman Dental Society, in honor of the first Black dental college graduate. Although the seeds were sown in 1900 for a professional organization, it was Dr. D. A. Ferguson of Richmond, Virginia, who began propagating the urgency of a national organization of Black dentists. After convincing many other professional colleagues of this need, the National Association of Colored Dentists was formed on May 1, 1901, at Howard University College of Dentistry. This new organization met annually for five years, but eventually failed to sustain enough interested members to continue meeting.

In 1913, under the leadership of Dr. Ferguson, a nucleus group of 29 progressive men from Virginia, Maryland, and the District of Columbia came together to form a new organization, the Tri-State Dental Association. By 1918, the Association included memberships from 14 states. This growth reflected and warranted a wider program, one national in scope. The Tri-State Dental Association was reorganized in 1918 into the Interstate Dental Association, and by 1923, 21 states were represented at its annual meeting.

From 1923 to 1931, the influence of the Interstate Dental Association reached local communities and dental groups with the concept of a “national idea.” The Commonwealth Dental Society of New Jersey organized in 1927

and became affiliated with the Interstate Dental Association in 1928. In July 1932, Commonwealth sent a delegation to Interstate’s annual meeting held at Howard University College of Dentistry. The purpose of this meeting was to invite the Interstate Dental Association to Commonwealth’s annual meeting in Bordentown, New Jersey, specifically to form a national organization. This invitation was accepted and in 1932 the Interstate Dental Association became the National Dental Association.

The NDA embraces the philosophy that health care is a right — not a privilege — of every American.

In assuming the responsibilities of the national organization, the Association embarked upon an intensive program to increase membership and perfect its organizational structure. A new constitution defined the relationship of the constituent societies to the national organization. In addition, scientific sessions, standing and special committees, and an official journal were developed.

For 104 years, the NDA has been a national forum for minority dentists and a leader in advancing their rights within the dental profession, the armed services, the government, and the private sector. Since its inception, NDA members have been dedicated to providing dental care, education and guidance to the disenfranchised. The NDA embraces the philosophy that health care is a right — not a privilege — of every American. Today, the NDA is a non-profit 501(c)(3) that is the premier dental organization for ethnic minorities. It represents a fami-

ly of 10,000 dentists, students, hygienists, assistants, and spouses. It has alliances with many other organizations, institutions, and government agencies that share its mission. Through scholarships and support programs, the NDA promotes dentistry as a viable profession.

In 1976, the NDA Foundation was formed. It is a non-profit 501(c)(3) entity that was organized to pursue charitable, educational, and scientific research endeavors. In 1996, the NDA formed the Corporate Roundtable (CRT). Through the NDA-CRT, the NDA has formed many longterm partnerships that benefit both entities, while elevating health awareness in underserved communities in the U.S. and abroad.

NDA goals and commitments are shared by its auxiliary organizations, namely, the Auxiliary to the NDA, the National Dental Assistants Association, the National Dental Hygienists’ Association and the Student National Dental Association. Together, these groups compose a membership that is represented in all 50 states and several countries abroad.

MISSION STATEMENT

The National Dental Association promotes oral health equity among people of color by harnessing the collective power of its members, advocating for the needs of and mentoring dental students of color, and raising the profile of the profession in our communities.

Membership in the National Dental Association (NDA) means joining the premiere dental organization that focuses primarily on minority oral health issues. By lending their voices and energy to the NDA, our members stand as catalysts and guardians of change. We invite you to become part of a legacy dedicated to the promotion of oral health equity and increased access to care among people of color and underserved communities.

Bridging the Gap ... Mastering Change

NDA members constitute a massive network of providers and volunteers who work diligently to create collective impact on:

- Medicine, Dentistry and other Allied Health Professions
- Oral Health and Overall Systemic Health
- Public Health and Private Practice
- Access to Care for All regardless of social determinants and vulnerability
- Health Literacy, Education and Disease Prevention in Communities of Color
- Equal Pay, Equal Compensation, Equal Opportunities for Minorities and Women
- Research, Academic and other Dental Opportunities for Minorities
- Funding Opportunities for Minorities
- Government, private and other insurance reimbursements based on geographic location
- Continuing Education and technology advancement for minorities
- Recruitment and retention of minority students into the dental profession with minimal debt burden
- Advancement of minorities into dental specialties
- New and Seasoned Dentist's collaboration and partnerships.

Product & Resource Center

COLLEAGUES CONNECTING... ONE Like, Tweet, Follow, Share ...AT A TIME

VISIT THE NDA PRODUCT & RESOURCE CENTER to discover great products and services available to assist oral health professionals in providing top notch care. While there, take advantage of the opportunity to engage your colleagues or catch up on your emails at the Cyber Cafe and Lounge.

CE Passport

Visit the Product & Resource Center to receive Continuing Education (CE) Credits for every 10 technical vendors visited. You will find your passport card in your conference bag. Make sure while you are making your rounds that you are engaging the vendors – some have sent questions to help guide your conversations so that you fully understand their offerings and they understand your needs. Check your passport for these great conversation starters. Forms must be turned in by 4:30pm on Saturday to receive your CE credit (1.0 for every 10 exhibitors visited with a maximum of 2.0 CE). Completed passports also make you eligible for prizes in the daily raffle.

Silent Auction

TRIPS, SHOPPING SPREES, EVENT TICKETS, SPA GETAWAYS! A little something for everyone is available at the NDA Silent Auction. Bid items will be on display during exhibit hall hours, with final bids due at Saturday, July 22 at 4:45pm. Winning bids will be posted and must be paid for in the exhibit hall on Saturday.

You Just Might Win a Prize!

104th

NATIONAL DENTAL ASSOCIATION
ANNUAL CONVENTION
"Our Place at the Table"

SCHEDULE OF EVENTS

DALLAS, TX

July 19-23, 2017 • Sheraton Dallas Hotel

Wednesday, July 19, 2017

8:00am – 12:00pm **NDA-HEALTH NOW – DALLAS® Community Outreach**
Diabetes Health & Wellness Institute at the Juanita Craft Recreation Center
Supported by Colgate- Palmolive, DentaQuest Foundation, Henry Schein Cares, Sunstar, and the W.K. Kellogg Foundation

2:00pm – 6:00pm Joint Meeting: NDA Board of Trustees & NDA House of Delegates
Majestic 6 & 7

Thursday, July 20, 2017

8:30am – 11:30am **Eddie G. Smith Leadership Institute - NDA Executive Leadership Only (Executive Committee, BOT, HOD, Chapter Presidents, Past Presidents, and SNDA, NDHA, NDAA, NDAF, ANDA executives)**
3.0 CE
Lonestar C1
Supported by W.K. Kellogg Foundation and GlaxoSmithKline

8:30am – 11:30am **Minority Faculty, Administrators' & Practitioners' Forum: Inter-professional Collaboration, Training & Care**
3.0 CE
Lonestar C4
The Forum will focus on minorities in the workforce as it relates to faculty and students. Data trends, diversity in schools, funding mechanisms and mentorship are topics that will be presented and discussed in an open forum.

Supported by GlaxoSmithKline

Panelists: **Bryan Cook, DDS**, American Dental Education Association
Christopher Fox, DDS, DMSC, American Association for Dental Research
Juana Gissendanner, RDH, BS, MAET, National Dental Hygienist Association
Evelyn Lucas Perry, DDS, MPH, Managing Dental Director, Aspen Dental

Bryan Cook

2:00pm – 4:00pm **Minority Faculty, Administrators' & Practitioners' Research Forum: The Impact of the ACA on Oral Health and the Practice of Dentistry**
2.0 CE
Lonestar C4

Moderator: **Caswell Evans, DDS, MPH**, University of Illinois – Chicago

Panelists: **Evelyn Lucas Perry, DDS, MPH**, Managing Dental Director, Aspen Dental
Scott Tomar, DMD, MPH, DrPH, University of Florida

Evelyn Lucas Perry

2:00pm – 4:00pm **A Major Break-through in the Care and Management of Concussions**
2.0 CE
Lonestar C2
Supported by GlaxoSmithKline

- Learn a new evidenced based mechanism of brain concussion
- Learn to better evaluate the skeletal injury component of concussion
- Revisit the head and neck anatomy associated with injuries of concussions
- Learn new didactic and diagnostic skills that will expand patient care
- 3D Imaging technology today that will enhance dental operations tomorrow

4:30pm – 5:30pm **NDA Opening Reception**
Lonestar A Foyer
Supported by Gulf State Dental Association

Edna Kane-Williams

5:30pm – 7:30pm
Lonestar A1-3

NDA Opening Session

Keynote Speaker:

Edna Kane-Williams, Senior Vice President, American Association of Retired Persons (AARP)

Mary Otto, Author of "Teeth", Call to Action
Supported by the W.K. Kellogg Foundation

new couch & new crown

With CareCredit, patients don't have to choose.

When dental needs require an out-of-pocket investment, patients may think they have to choose family priorities or recommended treatment. Happily, you accept the CareCredit healthcare credit card, so patients can pay monthly and take advantage of promotional financing,* helping to make it easier for them to enjoy a new couch AND a new crown.

Visit CareCredit Booth #305 at NDA National convention for FREE resources and new ways to help patients get the care they need.

*Subject to credit approval.

Lonestar Ballroom C4

WHS Lecture: The Relationship Between Oral Health and Cardiovascular Disease in Communities of Color

Supported by DentaQuest

Keynote Speaker:
Cheryl Polote Williamson

WHS History:

The first National Dental Association Women's Seminar was held in the early 1980's under the direction of Dr. Marie Holliday (Dallas, TX). In 1982, having been denied a request to form a women dentists' interest group under the auspices of the NDA, Drs. Shirley Bailey and Emily Lee (Los Angeles, CA) founded the Association of Black Women Dentists (ABWD). The group was organized to address the needs and concerns of African American female practitioners. Following a successful women dentist's luncheon at the 1989 NDA convention in Washington, D.C., the host committee became the founders of the first branch of the ABWD, the Women Dentists of Metropolitan D.C.

The New York NDA Annual Convention in 1992 provided a fertile opportunity to launch the first official Women Dentists' Awards Luncheon, chaired by Dr. Erica Bailey. During that convention, Dr. Hazel Harper (Washington, DC) presented the concept for a Women's Health Symposium to be incorporated into the NDA annual convention, to the NDA Board of Trustees, and House of Delegates. The concept was approved and in 1993 the 1st Annual Women's Health Symposium was held in Boca Raton, FL under the leadership of Dr. Hazel Harper, the first National Chairperson. Since the first WHS, Drs. Sheila R. Brown (Chicago, IL), Beverly Murdock (Somerset, NJ), and Angela Jamison Johnson (Atlanta, GA) have also served as National Chairpersons.

Over the years, the WHS has evolved to include an annual community service component, a scientific seminar, and a fitness session. As we now celebrate the 24th Annual WHS, we acknowledge the commitment of past leaders, and pay tribute to the cadre of women who hold positions of prominence in the National Dental Association at the local, state, and national levels. In 1997, we applauded the milestones and achievements made by Dr. Hazel J. Harper, NDA's first woman President. Others who followed were: Dr. Cynthia Hodge (Nashville, TN, 1999); Dr. Joy Jordan (Cleveland, OH, 2004); Dr. Leslie E. Grant (Glen Arm, MD, 2006); Dr. Sheila R. Brown (Chicago, IL, 2011); Dr. Alison P. Riddle-Fletcher (Baltimore, MD, 2014, unexpired term), Dr. Carrie B. Brown (2015), Dr. Judy Greenlea Taylor (2016) and Dr. Kim B. Perry (2017). In 2014, we proudly dedicated the Women Dentists' Awards Luncheon in memory of Dr. Alison P. Riddle-Fletcher, the 90th President of the NDA, for she epitomized the virtues of phenomenal woman leadership – grace, poise and dignity.

We are grateful for the support of our founding sponsors, Colgate Oral Pharmaceuticals and Anheuser Busch who shared our vision. We continue to honor the individuals who were the original advisors, Drs. Marsha Butler, Christopher Fox, and Thelma Cook. We welcome the support of our new partners, supporters, and friends.

NDA President's Symposium

Presidents Symposium: Combatting the Opioid Addiction Crisis: NEW Guidelines for Managing Pain and Prescribing Controlled Substances

Saturday, July 22, 2017 8:30am - 10:30am

Plenary Session - All Group Invited

Supported by Aetna, Inc.

Janet Southerland

Moderator: Janet Southerland, DDS, MPH, PhD, Meharry Medical College

**Panelists: Jim Arnold, Section Chief, DEA
Westley H. Clark, MD, JD, MPH, CAS, FASAM, Santa Clara University
Jennifer Flynn, CPHRN, Dentists Advantage
Daphine Taylor, RPh, MBA, MPH, Pharmacist, Dallas, Texas**

Westley H. Clark

The abuse of and addiction to opioids not only has become a national issue, but a global one. This epidemic is impacting the lives and practices of our members and colleagues at an alarming rate. It is estimated that between 26.4 million and 36 million people abuse opioids in the world with approximately 2.1 million people in the United States suffering from addiction to pain killers and an estimated 467,000 to other drugs in this group. The result of drug abuse can destroy families and ultimately take lives.

Jennifer Flynn

To address the complex problem of prescription opioid overuse and abuse, we as health care providers who deal daily with pain related issues must recognize and consider the special nature of this challenging problem. We must also be cognizant of our potential contribution to this rising epidemic. As we move forward in the landscape, we will need to understand the negative and growing morbidity and mortality associated with the epidemic while continuing to improve the lives of our patients by eliminating pain and improving health outcomes and overall well-being.

Daphine Taylor

There is a significant movement underway to address the problem through the implementation of new prescribing practices, regulations, and guidelines. It is imperative that we are knowledgeable about these changes and how and they will impact our practices and licensure. The session will seek to engage you and provide valuable information that will help you combat the problem of opioid abuse as well as be compliant with current rules and regulations.

NDA President's Gala (Ticketed Event) *Sponsored by Colgate-Palmolive and DentaQuest*

De'Ja S. Alexander

It is with great pleasure that I welcome you all to the Student National Dental Association's 45th National Convention in the great city of Dallas! We truly appreciate your presence and participation, and we hope that you enjoy what we have in store for you this year. The SNDA has had a long-standing goal for over 40 years to promote, aid and support the academic and social environment of minority students. We strive to establish opportunities for our members to develop stronger alliances amongst one another as well as develop a sense of community, thus aiding in the advancements of our students within the field of dentistry.

As we appreciate our history and the mission of the SNDA, we would like to acknowledge the commitments made to improve the oral health care within our communities and abroad. Our dedication to the advancement of minority students, within the field of dentistry has allowed us to make strides over the years. SNDA has and continues to provide proper oral hygiene education through various outreach efforts and an increase the access to care within communities, with emphasis on the minorities and the underserved. Such abilities have allotted our members to provide a service that has ultimately improved the quality of life for many.

With the establishment of financial scholarships to assist our members, informative monthly newsletters and the annual National Convention, we have furthered our purpose as a national organization. Building upon the success of what has already been established, and giving homage to our parent organization, the National Dental Association for all their support; the SNDA looks towards a very bright and abundant future.

Again, thank you for joining us this year for National Convention and I hope you have a safe and enjoyable stay in Dallas!

Welcome From the National Dental Hygienists' Association

Nola Betty Pate

On behalf of the National Dental Hygienists' Association (NDHA) Board of Trustee (BOT), it gives me great pleasure to welcome you to Dallas, the Sunbelt City, located in the Lone Star State of Texas. As I am sure you have heard, everything is bigger in Texas. How fitting we should be celebrating the 55th NDHA Anniversary in the state where everything is bigger! The NDHA Board of Trustees are so pleased that you are able to be here to celebrate this milestone. In honor of the 55th Anniversary celebration, NDHA will be giving away 55 door prizes during the 13.5 hours of continuing education approved by the Academy of General Dentistry (AGD).

NDHA - Leading the PACE (Passion, Accountability, Collaboration, Education) For 55 years is the theme for the 2017 convention.

Show your passion for education by attending the NDHA "Texas style" Scholarship Fundraiser being held on Friday, July 21 from 7pm to midnight. Purchase tickets either online or at the registration desk. We will be partying with a sizzling Texas style BBQ buffet, watching live bull riding (either the 9 or 10 pm show), dancing more than just the Texas two-step, getting your souvenir 4X6 bull riding photo and playing pool. Lead the pace by purchasing a ticket and catching the bus to a good time. Bus transportation from the Sheraton Dallas to Billy Bob's Texas located in Fort Worth. Buffet, live bull riding, pool tables, dancing, hassle free transportation and a souvenir 4X6 photo are included in the fee.

The BOT is Leading the PACE at the President's Breakfast & Scholarship Awards. Words to inspire will be provided by long time supporter and friend Ms. Dovetta Johnson. Ms. Johnson is the Director of Marketing Communications – North America, for VOCO America Incorporated. Four deserving students will be awarded scholarships at the President's Breakfast and Scholarship Awards on Saturday at 8:30 am. Students are the key to NDHA leading the Pace.

NDHA is keeping the pace by hosting a Silent Auction. The Silent Auction will be held at the registration booth. Items are donated by BOT members and various chapters of the NDHA. While in Texas bid larger and often. Silent Auction items will be awarded at the President's Breakfast and Scholarship Awards.

While you are in the Exhibitor's Showcase, please lead the pace by visiting our sponsors: VOCO America, Inc., Colgate- Palmolive, Brushtime, Children's Oral Health Institute, Sunstar America, National Dental Association Foundation and the National Dental Association. Our sponsors have collaborated with us in Celebrating our 55th Anniversary and making this convention a memorable life long learning experience. Set the pace in thanking each of our corporate sponsors for their continued support.

This convention provides a perfect opportunity to lead the pace by collaborating with colleagues, peers and other dental professionals at the HEALTH NOW® Community Outreach Project on Wednesday. We look forward to doing community service within Dallas. You can lead the pace by passionately engaging your collaborative spirit by attending the National Dental Association's (NDA) continuing education courses.

As President of NDHA, on behalf of the BOT, we welcome you to Dallas to Celebrate 55 years of Keeping, Setting, and Leading the PACE. I would like to thank the BOT and the planning committee for their tireless efforts and their generosity of their time and talents. Their dedication, support and commitment set the pace for us all. Thank you for celebrating 55 years of NDHA deep in the heart of Texas.

Enjoy NDHA's 55th Anniversary in Dallas!

AHYONZ featuring Kenya C.

AHYONZ featuring Kenya C. is an electric mix of musical artists comprising one of the hottest bands in the Dallas/Fort Worth area. The band performs an extensive library of music including R&B, jazz, pop, gospel, neo-soul and more. Whether it is one of your favorite songs or a groove that just won't stop, AHYONZ featuring Kenya C. provides the mix that keeps the crowds entertained.

The inspirational, lead vocalist of the band is the talented and beautiful Kenya D. Crawford (Kenya C.). She is a popular and unique voice on the DFW music scene. Kenya C. is a trained vocalist with great stage presence. As a youth, Kenya C. performed for 4 years with the Texas Girls' Choir (TGC). During that time with TGC, she toured within the state of Texas for the Sesquicentennial Celebration and traveled on the European Long Tour for 10-days. Kenya C. has recorded background vocals on singles for No Limit Records recording artists Mia X ("Mommie's Angels") and Mr. Serv-on ("Heaven Is So Close") during her undergraduate years at Dillard University in New Orleans, LA. Before graduating from Dillard University in 1997, She performed in University plays, such as "Mama, I Want To Sing" (character: Doris Winter), "One Mo' Time" (character: Thelma), and she hosted "Slow and Mellow Moods with Kandi K" on the University's radio station WDUB. Kenya's radio career began when she worked as a Program Director for one of the local gospel radio stations, KGGR 1040 AM. After years of service in the choir at Antioch Missionary Baptist Church, she was appointed to the position of Choir Director. Kenya C. currently leads the Gatelifters Praise Team at First St. John Cathedral (FSJ) in Fort Worth, TX and Watauga, TX. As a Praise Team Leader at FSJ, she selects the songs, conducts rehearsal, and ministers the music every Sunday morning. Having been a vocal music influence to others, Kenya C. is returning to her performance roots with AHYONZ.

Angela Bowens

On behalf of the National Dental Assistant Association, it is my pleasure to welcome you to our 53rd annual convention in Dallas, Texas. I know that you will find this convention productive. We have planned courses to serve managers, dental assistants, and the clerical staff. We recognize that the staff needs continuing education to build growth in the practice or clinic where are employed.

Dentists encourage your staff to become involved with NDAA. We are employed to be productive, and continuing education allows us to stay on top. The courses selected will teach the staff members how to serve the dentist and patient. We are working hard to keep our assistants up to date on new laws and the latest technology. I am hopeful that this will increase their knowledge to build your practice and take it to the next level of high production. So, I challenge you to get them involved with NDAA and keep them involved year after year so that we can learn the needs of all offices. We are the greeters that answer the phones, fill the schedule, breakdown and setup the rooms, do financial/insurance consults, keep your supply bills in order, pay the bills, and sell treatment plans. Staff members take a look at the courses offered and incorporate information learned from the ones you select to attend into an action plan to benefit the patient and you.

National Dental Assistants we are here to be educated and have a splendid time doing it. We have great enthusiast speakers that are excited about improving oral health in our communities. Please visit the exhibit hall and support the vendors who help us continue to improve oral health by offering great products.

We are celebrating 53 years with NDA, and I would like to thank you and NDAF for continued support. I also would like to thank the NDAA Executive Board and Committee Chairs for all of your hard work in planning this convention. I am looking forward to hearing new ideas to share with my co-workers. We are a family so let's pray, work, and learn together to continue building an outstanding organization. It is a value to come together each year to share, learn, and build lifelong friendships that are established in this dynamic organization. Let's have fun here in DALLAS while learning!!!

Sincerely,

Angela Bowens

Lenora Peters Gant

On behalf of the Auxiliary to the National Dental Association (ANDA), welcome to the 104th Dallas, Texas. ANDA is pleased to be an integral part of the NDA affiliated organizations in helping to celebrate our distinguished histories and service to communities across America.

As President, I welcome you and encourage dental spouses, guests, friends and significant others to join ANDA in celebrating NDA's 104th National Convention Lone Star State of Texas. Over many years, service and educational outreach continue to be cornerstones of our collaborative and affiliated existence. ANDA embraces the NDA's mission of service to the community, dental students' education and scholarship. During my presidency, 2013-2017, ANDA's focus is steadfast in championing these key thrusts:

Communication/Educational Outreach, e.g. outreach to attract new members with emphasis on family orientated activities with emphasis on children and spouses of dentists and dental care/ educational awareness

Partnerships/Relationships, e.g. leveraging partners' resources, and access to community service activities, and financially supporting dental students by awarding annually two dental scholarships

Community Outreach & ANDA Branding, e.g. Improving visibility and showcasing ANDA's value in support of NDA families, children, and community outreach

During the 104rd NDA Convention, ANDA's members will be actively engaged in following activities –

- **Community Outreach:** ANDA will provide charitable donations—monetary contribution, dental products, and after school supplies to the **Boys and Girls Club of Collin, TX**.
- **ANDA Scholarship:** ANDA continues to award dental students' annual scholarships to support their dental education and matriculation. Over many years, ANDA has awarded approximately \$100,000+ to dental students across the country.

Please join ANDA for a fun-filled NDA Convention in beautiful Dallas, Texas! Our meetings and activities are designed with you in mind. Wednesday, July 19th, **ANDA Registration opens**; Thursday, July 20th, 12:00 Noon – 2:00 p.m., **Executive Board Meeting** and **Happy Hour with ANDA**, 2:00 p.m. – 4:00 p.m.; Friday, July 21st, 9:30 a.m. – 11:00 a.m. ANDA General Business Meeting; Saturday, July 22nd, 11:30 a.m. – 1:30 p.m. **ANDA's Lunch with Friends @ Kitchen Table, Scholarship and Charitable Recognitions**, Dallas Sheraton Hotel; Sunday, 23rd 10:00 a.m. – 11:30 a.m. **ANDA Executive Board Meeting**.

On behalf of ANDA's Executive Board and members, I welcome you to Dallas! Over the past 4 years as President, our activities, scholarships, community service projects and successes are directly attributable to ANDA's members who contributed their invaluable time, talents and expertise. It has taken a village of minds, hands and teamwork to bring ANDA's deliverables to fruition. Thank you from the bottom of my heart! Words are never enough to fully express my sincerest gratitude to those of you who worked tirelessly and met monthly via teleconference in planning ANDA's Convention activities. Equally important, as the years come and go, let's renew our commitment of service of our grateful Nation, to NDA and its affiliated partner organizations.

Enjoy your time in Dallas, Lone Star State Texas!

Very Respectfully,

Lenora Peters Gant

Lenora Peters Gant, Ph.D., President

Auxiliary to the National Dental Association

The Auxiliary to the National Dental Association is comprised of spouses of dental professionals. Our organization serves as a supportive group of friends who share an interest in family, community, and the dental profession. We embrace the National Dental Associations mission of service to the community, dental student education and scholarships. ANDA is pleased to invite all guests, spouses and children to participate in our programs and to register through ANDA to attend convention activities.

Diversity at ATSU

We believe our healthcare workforce should reflect the diversity of America. By partnering with the National Dental Association, ATSU is demonstrating its commitment to recruiting students who reflect the populations they serve. We understand diversity encompasses not just race, but gender, culture, financial background, and sexual orientation. The possibilities are endless.

- > History of inclusion since 1892
- > Campuses in Kirksville, Missouri, Mesa, Arizona, and online

ATSU offers an array of health professions degrees in medical, dental, and allied health programs. For more information about our degree programs, visit atsudiversity.com. For information about our diversity initiatives, contact diversity@atsu.edu.

**WE LOOK FORWARD TO
SEEING YOU NEXT YEAR
JULY 11-15, 2018**

From all of us at Rosen Centre, we wish you a successful conference in Dallas this week. We are excited to be your host for the 2018 National Dental Association Annual Convention and look forward to exceeding your expectations in beautiful Orlando next year.

HELP PROTECT PATIENTS WITH GINGIVITIS-ASSOCIATED **GUM BLEEDING** BEFORE THEY BECOME PATIENTS WITH **PERIODONTITIS**

Note: Periodontal probe millimeter markings 3-6-9-12.

Colgate Total® provides significant reductions in plaque, gingivitis, and associated gum bleeding*¹

- 60.9% reduction in gum bleeding at 3 months*²
- 51.5% reduction in plaque at 6 months*³
- 12-hour antibacterial action, even after eating and drinking*^{4,5}
- Unique triclosan and copolymer slow-release technology*⁶

Colgate®

YOUR PARTNER IN ORAL HEALTH

www.colgateprofessional.com

*Compared to a non-antibacterial fluoride toothpaste.

¹Significantly reduces cultivable anaerobic bacteria on teeth, tongue, cheeks, and saliva for 12 hours, as compared to a non-antibacterial fluoride toothpaste.

²Over time, triclosan is slowly released from the copolymer to provide sustained antibacterial activity for 12 hours.
