

Volunteer to chaperone young, underrepresented students as you both explore the world of dental careers!

Make a difference. Achieve financial success. Contribute to the greater good.

Coming Summer of 2024 to the vibrant city of Nashville, TN

12 spots available

Available for undergraduate and dental students* interested in pursuing their own healthcare careers while chaperoning 9th and 10th graders:

Join us for a 5-day residency program at Meharry Medical College School of Dentistry!

Session will run from July 7 – 12, 2024

**Must be at least 18 years old, available all day and in the evenings to chaperone 9th and 10th graders, and comfortable staying in the dormitories. A weekly stipend will be offered, along with room, board, and meals.*

This program will introduce 9th and 10th graders to exciting future careers in oral health, including: **dentist, dental hygienist, dental assistant, and/or dental office administrator**

Provide mentorship to high school students interested in oral health

Connect with mentors who will champion your own healthcare career

Immersive learning and enrichment around the oral health community

Program Mission: The S.M.I.L.E. (Student Mentoring with Immersive Learning and Enrichment) Healthcare Pathway Program is a public-private partnership to help mentor future healthcare professionals, enhance health literacy, expand diversity in the healthcare workforce and ultimately improve health and overall outcomes in underserved communities nationwide.
