LEADERSHIP INNOVATION

LIFE-LONG LEARNING

ABOUT THE NATIONAL DENTAL ASSOCIATION

Established in 1913, the NDA is the world's first and largest organization of ethnic minority oral health professionals. The NDA, a 501(c) 3 entity with 36 local chapters in the U.S., is the umbrella organization for the Student National Dental Association, the National Dental Assistants' Association, the National Dental Hygienists' Association, the Undergraduate SNDA and the Auxiliary to the NDA (spouses). The NDA Foundation is the education, research and scholarship arm of the organization.

NDA members constitute a massive network of providers and volunteers across America who have been the backbone of programs that strive to reach millions of underserved children and their families who do not have access to health care. The organization is dedicated to supporting its members to remain in communities where they are needed most; and to increasing access to health care.

PURPOSE OF THE NDA CORPORATE ROUNDTABLE (NDA-CRT)

The NDA-CRT is a viable component of the NDA. It serves in an advisory capacity to strengthen the organization’s continuous growth and development. This is achieved through corporate giving, In-kind donations, administrative contributions and active engagement in NDA programs.

NDA – CRT OBJECTIVES

- Maintain an open dialogue that allows CRT members and the NDA to be cognizant of each other’s interests, priorities and concerns;
- Contribute to the development of financial strategies and tactical approaches for NDA programs and activities by generating funds and assisting the NDA in recruiting new members to the CRT;
- Provide resources of advice and counsel to the NDA in the development of organization policies and strategic action planning;
- Provide assistance in the development of communication conduits and organizational links to other health organizations, public health policymakers, business entities, academics and research institutes.
- Establish relationships with corporate institutions that promote mutual benefits and long-term growth for the NDA.

MEMBER BENEFITS	Platinum \$30,000	Gold \$20,000	Silver \$10,00	Bronze \$5,000

The NDA's Corporate Roundtable (CRT) was formed in 1997. The NDA-CRT meets three times a year and is governed by a Chairman, Vice-Chairs and the NDA leadership. The three committees of the CRT are Membership, Scholarship and Community Education.

The NDA's Corporate Roundtable (CRT) is an entity that acts as an advisory committee to strengthen the organization's growth and development. This is achieved through corporate giving, fundraising, administrative contributions, and active participation in programs at the national and local levels. The NDA and the NDA Foundation (our 501(c)(3) entity) work together to form corporate partnerships that enable us to fulfill our mission and achieve our goals and objectives.
